

Increased Lighting & Savings...

Lumen Solutions is an expert in turning tight budgets into robust lighting designs that exceed our client expectations. At SAFA & Marwa Islamic School, we not only helped them save money in maintenance and operational costs, but also improved the lighting quality both inside and outside their classrooms, offices, and community spaces. Our team successfully increased lighting by over 50%!

Each step in the lighting design contributed to creating a more sustainable world for SAFA & Marwa Islamic School and its students. Low flicker LED lighting and exterior perimeter wall packs with photocells were installed. Lumen Solutions certified professionals safely worked around the school's busy schedule to ensure minimal disruptions for students and staff. After our budget savvy lighting plan was implemented, SAFA & Marwa Islamic School saw an annual savings of \$23,943 with a payback period of just 0.9 years.

A private elementary and secondary school in Mississauga, Ontario which focuses on strong Islamic values, emotional well-being and academic excellence for the past 20+ years.
